

Knitting & Weaving - Ring spun & Vortex

Together we grow....

MANI TEXTILES - TIRUPPUR

ABOUT US

Our ethical business endeavour started in the year **2003**, with a vision to market quality fancy yarns of **India's leading spinning mills**. We are located in **Tirupur, Tamilnadu** and strategically well positioned amongst quality oriented spinning mills, in the southern part of India. The prominent retailer of yarn products, we continue providing – Superior quality, customer-focused, value added knitting yarns.

Our vision is **“To constantly innovating our products, services and provide best value for money with transparency in all our efforts”**.

Our performance remains guided by a clear and concise business strategy and our **“Quest for Excellence”** within all operational activities of the textile industry.

The background of the slide is a photograph of several large spools of white yarn in a textile mill. The spools are arranged in rows, and the focus is on the two in the foreground. The yarn has a textured, slightly irregular appearance. The title 'YARN PRODUCTS' is overlaid on the top half of the image in a white, stylized, outlined font.
